LIMBACH FACILITY SERVICES LLC EXPANDS EXECUTIVE MANAGEMENT TEAM WITH NEW HIRE

PITTSBURGH, PA (June 15, 2009) – Limbach Facility Services LLC announced today the addition of Kevin Labrecque as the new Senior Vice President. Limbach is proud to welcome Mr. Labrecque, an individual possessing a wealth of industry experience who will be a driving force towards the Company's continued growth and success. As Senior Vice President, Mr. Labrecque will be responsible for a number of initiatives, including Limbach's BIM based estimating system, Quality Assurance/ Quality Control, ramping up the Company's focus on LEAN process, expanding relations with key customers, and identifying overall ways to improve the Company.

Mr. Labrecque comes to Limbach from Bovis Lend Lease, where he worked for 13 years in a variety of roles ranging from Estimating, Project Management, Quality Management, and Commercial Risk Management. His last position at Bovis was as Vice President, Director of Commercial Risk, which he held since February 2006. Limbach is excited to have Mr. Labrecque, whose vast expertise will serve as an immensely valuable asset to their future direction.

Since 1901, Limbach has provided mechanical and sheet metal services to clients in Pittsburgh, PA. Today, Limbach Facility Services has grown to a \$350 million national mechanical contractor, consistently ranked in the Top 15 of ENR's Top Specialty Contractors since 1964. With headquarters in Pittsburgh, Limbach maintains eleven (11) established branch locations throughout the US, including Ann Arbor, MI;

Boston, MA; Columbus, OH; Detroit, MI; Los Angeles, CA; Palm Springs, CA; Philadelphia, PA; Pittsburgh, PA; Orlando, FL; Tampa, FL, Washington, DC.

Limbach's commitment is to be the first choice mechanical construction and service firm in the markets it serves, consistently exceeding the expectations of its shareholders, customers, investors, employees, and partners.

Limbach strives to bring its customers a wealth of industry experience, an established local presence, cost competitiveness, a strong service record, and innovative building solutions in energy efficiency and technology. Limbach's construction heritage delivers an expertise that only experience can provide. An inexorable drive for excellence attributes to Limbach's status as the nation's leading and fastest growing, privately held mechanical construction and service firm.
